Sheep Mountain Unit, Well No. 5-10  
NW NE Section 10-27S-70W  
Huerfano County, Colorado

Dear Mr. Rogers:

In reply to the Commission's inquiry of May 12th, copy attached, drilling of the captioned wells has been deferred until additional geological information is obtained.

Pursuant the provisions of Rule 303, the Approval to Drill is now null and void for both wells. If it is desired to drill the wells at a later date, an Application for Permit to Drill will be submitted.

Very truly yours,

  
W. A. Walther, Jr.
