Gentlemen:

A review of our records indicates that we have not received the completion report on the following wells:

LEASELOCATIONFIELDCOUNTY~~Please advise if well is still temp. suspended as advised on 2-4-59..~~~~# 1 Carpenter NWSE 11-1N-102 W Rangely, Rio Blanco~~

We received your notice to abandon this well on _____; however, we must also have the completion report on our form OGCC-5, in order to close well file.

If this well has not been drilled to date, please advise.

According to the Rules and Regulations of the Commission, completion reports should be sent in within thirty (30) days after completion of a well. Three (3) copies for wells drilled on Patented or Federal land, and Four (4) copies for wells drilled on State lands. Some blank forms are enclosed for your convenience.

Your prompt attention to this matter will be appreciated.
