RE: Zorichak Field

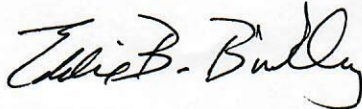

Gentlemen:

The recent change of operator prompts the question of responsibility for removal of abandoned cement pads and risers on old abandoned well in the Zorichak field.

Please evaluate your lease agreement with respect to the Zorichak and Menke wells that have been plugged and report to the Oil and Gas Commission your findings regarding final reclamation of the wellsites.

Feel free to contact me if you require further explanation.

Sincerely,

Eddie B. Binkley
