APPLICATION

Petro Operating Company LLC ("Applicant"), Operator No. 10583, by its attorneys, Welborn Sullivan Meck & Tooley, P.C., respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission") for an order establishing an approximate 640-acre drilling and spacing unit and establishing well location rules applicable to the drilling of wells and producing of oil, gas and associated hydrocarbons from the Codell and Niobrara Formations covering certain lands in Adams County, Colorado. In support of its Application, Applicant states as follows:

1. Applicant is a Colorado limited liability company duly authorized to conduct business in the State of Colorado.
2. Applicant owns leasehold interests in the following lands ("Application Lands"):

Township 1 South, Range 66 West, 6th P.M.  
Section 2: All

A reference map of the Application Lands is attached hereto.

3. On April 27, 1988, the Commission adopted Rule 318A, the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule, which was amended on August 8, 2011 to, among other things, address the drilling of horizontal wells and requires that a horizontal wellbore spacing unit must include any governmental quarter-quarter section that are located less than 460' from the completed interval of the wellbore lateral. Rule 318A supersedes all prior Commission drilling and spacing orders affecting well location and density requirements of the Greater Wattenberg Area. The Rule does not, however, prohibit the establishment of drilling

and spacing units within the Greater Wattenberg Area. The Application Lands are subject to this Rule.

4. There are no wells producing from the Codell or Niobrara Formations and no approved or pending Forms 2 Application for Permit to Drill within the Application Lands.

5. To promote efficient drainage of the Codell and Niobrara Formations within the Application Lands and to avoid waste, the Commission should establish an approximate 640-acre drilling and spacing unit covering the Application Lands described below for production of oil, gas and associated hydrocarbons from the Codell and Niobrara Formations:

Township 1 South, Range 66 West, 6th P.M.  
Section 2: All

6. Applicant is requesting to drill and complete one (1) horizontal well in the above-described drilling and spacing unit with the option to drill and complete up to a total of twenty-four (24) horizontal wells in the unit for production of oil, gas and associated hydrocarbons from the Codell and Niobrara Formations in the Application Lands with the surface location to be located at a legal location in the above-described drilling and spacing unit or on adjacent lands. Applicant further requests that the treated interval of each wellbore be no closer than 150 feet from the treated interval of any other wellbore producing from the Codell and/or Niobrara formations, and no closer than 460 feet from the unit boundary, without exception being granted by the Director.

7. Applicant requests authority to drill only those wells necessary to determine the well density which allows the most efficient drainage of the Codell and Niobrara Formations, prevents waste, does not adversely affect correlative rights, and assures the greatest ultimate recovery of oil, gas and associated hydrocarbon substances from the Codell and Niobrara Formations. The proposed drilling and spacing unit is not smaller than the maximum area that can be economically and efficiently drained by the authorized wells in such drilling and spacing unit. Applicant further maintains that wells drilled in the above-proposed drilling and spacing unit will have no adverse effect on correlative rights of adjacent owners. Applicant states that the proposed drilling and spacing unit and number of wells will not have an adverse effect on public, health, safety, and welfare.

8. Applicant states that the wells will be drilled from one well pad located within the units and/or from a legal location on adjacent lands, without exception granted by the Director.

9. The names and addresses of the interested parties according to the information and belief of the Applicant are set forth in Exhibit A attached hereto and made a part hereof, and the undersigned certifies that copies of this Application shall be

served on each interested party within seven days after filing of the original application as required by Rules 503.e and 507.b.(1).

WHEREFORE, Applicant respectfully requests that this matter be set for hearing, that notice be given as required by law and that, upon such hearing, this Commission enter its order consistent with Applicant's proposals as set forth above.

Dated this 25th day of May, 2017.

Respectfully submitted,

WELBORN SULLIVAN MECK & TOOLEY, P.C.
