BEFORE THE OIL AND GAS CONSERVATION COMMISSION OF THE STATE OF COLORADO

IN THE MATTER OF THE APPLICATION OF GREAT WESTERN OPERATING COMPANY, LLC FOR AN ORDER TO SUBJECT ADDITIONAL PARTIES TO ORDER NO. 407-2177, WHICH POOLED ALL INTERESTS IN AN APPROXIMATE 1,261.6-ACRE DRILLING AND SPACING UNIT ESTABLISHED FOR SECTIONS 19 AND 20, TOWNSHIP 1 SOUTH, RANGE 67 WEST, 6TH P.M., FOR THE CODELL AND NIOBRARA FORMATIONS, WATTENBERG FIELD, ADAMS COUNTY, COLORADO	CAUSE NO. 407 DOCKET NO. 180100___ TYPE: POOLING

APPLICATION

COMES NOW Great Western Operating Company, LLC (Operator No. 10110) ("Great Western" or "Applicant"), by its attorneys, Jost Energy Law, P.C., and makes this application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission") for an order to subject additional parties to Order No. 407-2177, which pooled all interests within an approximate 1,261.6-acre drilling and spacing unit, as defined below, for the development and operation of the Codell and Niobrara Formations on the following described lands:

Township 1 South, Range 67 West, 6th P.M.
Section 19: All
Section 20: All

1,261.6 acres, more or less, Adams County, Colorado.

Hereinafter "Application Lands"

In support thereof, Applicant states and alleges as follows:

1. Applicant is a limited liability company duly authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.

2. Applicant owns certain leasehold interests in the Application Lands or holds the right to operate certain leasehold interests in the Application Lands.

3. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993) which, among other things, established 80-acre drilling and spacing units for the production of oil, gas and associated hydrocarbons from the Codell

and Niobrara Formations, with permitted well locations in accordance with the provisions of Order No. 407-1.

4. On April 27, 1998, the Commission adopted Rule 318A, which, among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all of the Cretaceous Age Formations from the base of the Dakota Formation to the surface. On December 5, 2005, Rule 318A was amended to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was amended to, among other things, address drilling of horizontal wells but did not prohibit the establishment of drilling and spacing units within the Greater Wattenberg Area. The lands encompassing the Application Lands are subject to Rule 318A, for the Codell and Niobrara Formations.

5. On July 24, 2017, the Commission entered Order No. 407-2126 which, among other things, established an approximate 1,261.6-acre drilling and spacing unit for Sections 19 and 20, Township 1 South, Range 67 West, 6th P.M. (the "Drilling and Spacing Unit"), and approved up to 26 horizontal wells within the unit, for the production of oil, gas, and associated hydrocarbons from the Codell and Niobrara Formations, provided that the productive interval of each wellbore shall be no closer than 460 feet from the unit boundaries, and no closer than 150 feet from the productive interval of any other wellbore located within the unit, unless the Director grants an exception, and that the wells shall be drilled from no more than two multi-well pads in the unit or adjacent thereto, unless the Director grants an exception.

6. On September 11, 2017, the Commission entered Order No. 407-2177 which, among other things, pooled all interests in an approximate 1,261.6-acre Drilling and Spacing Unit established for the Application Lands, and subjected all nonconsenting interests to the cost recovery provisions of §34-60-116(7), C.R.S., for the drilling of the Tower LD 19-022HC Well, Tower LD 19-022HN Well, Tower LD 19-059HNX Well, Tower LD 19-062HN Well, Tower LD 19-099HC Well, Tower LD 19-099HN Well, Tower LD 19-102HNX Well, Tower LD 19-139HN Well, Tower LD 19-142HC Well, Tower LD 19-142HN Well, Tower LD 19-179HN Well, Tower LD 19-179HNX Well, Tower LD 19-182HC Well, Tower LD 19-219HN Well, Tower LD 19-222HN Well, Tower LD 19-222HNX Well, Tower LD 19-259HC Well, Tower LD 19-259HN Well, Tower LD 19-262HN Well, Tower LD 19-299HNX Well, Tower LD 19-302HC Well, Tower LD 19-302HN Well, Tower LD 19-339HN Well, Tower LD 19-342HNX Well, Tower LD 19-379HC Well, and the Tower LD 19-379HN Well (the "Wells"), for the development and operation of the Niobrara and Codell Formations.

7. Applicant certifies that due to recent ownership information for the Application Lands, additional parties must be noticed and subject to Order No. 407-2177.

8. Applicant, pursuant to Commission Rule 530 and/or the provisions of C.R.S. § 34-60-116 (6) and (7), hereby requests an order to subject additional parties to Order No. 407-2177 and to pool such additional interests, including but not limited to, any non-

consenting interests, in the Application Lands in the Codell and Niobrara Formations underlying the approximate 1,261.6-acre Drilling and Spacing Unit established for the Application Lands.

9. Applicant requests that the Commission's order subjecting additional parties to Order No. 407-2177 be made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of a horizontal well to the Codell or Niobrara Formation on the Application Lands.

10. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled within seven (7) days of the date hereof, as required by Rule 503.e., and that at least thirty-five (35) days prior to the hearing on this matter, each such interest owner not already leased or voluntarily pooled will be offered the opportunity to lease, or to participate in the drilling of any wells within the Drilling and Spacing Unit, and will be provided with the information required by Rule 530 as applicable.

11. In order to prevent waste and to protect correlative rights, additional parties should be subject to Order No. 407-2177 and pooled for the orderly development and operation of the Codell and Niobrara Formations, including any non-consenting interests therein.

WHEREFORE, Applicant requests that this matter be set for hearing on January 29, 2018, that notice be given as required by law, and that upon such hearing, the Commission enter its order:

A. Subjecting additional parties to Order No. 407-2177, which pooled all interests in the Drilling and Spacing Unit established for Sections 19 and 20, Township 1 South, Range 67 West, 6th P.M., for the development and operation of the Codell and Niobrara Formations.

B. Providing that the Commission's order subjecting additional parties to Order No. 407-2177 is made effective as of the earlier of the date of this Application, or the date that any of the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of a horizontal well in the Drilling and Spacing Unit to the Codell or Niobrara Formation on the Application Lands.

C. Providing that the interests of any owners with whom the Applicant has been unable to secure a lease or other agreement to participate in the drilling of a horizontal well are pooled by operation of statute, pursuant to C.R.S. § 34-60-116(6) and (7), and made subject to the cost recovery provisions thereof with respect to any horizontal well drilled to develop the Codell and Niobrara Formations in the Drilling and Spacing Unit comprising the Application Lands.

D. For such other findings and orders as the Commission may deem proper or advisable in this matter.

Dated: November 30, 2017.

Respectfully submitted:
