

**BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO**

IN THE MATTER OF THE APPLICATION OF
GREAT WESTERN OPERATING COMPANY,
LLC FOR AN ORDER TO APPROVE 150'
REDUCED SETBACKS ON THE EASTERN
BOUNDARY OF AN APPROXIMATE 895.11-
ACRE DRILLING AND SPACING UNIT
ESTABLISHED FOR SECTION 6: W½,
TOWNSHIP 1 SOUTH, RANGE 66 WEST AND
SECTION 1, TOWNSHIP 1 SOUTH, RANGE 67
WEST, 6TH P.M., FOR THE CODELL AND
NIOBRARA FORMATIONS, WATTENBERG
FIELD, ADAMS COUNTY, COLORADO

CAUSE NO. 407

DOCKET NO. 180900 ____

TYPE: EXCEPTION LOCATION

APPLICATION

Great Western Operating Company, LLC (Operator No. 10110) ("Applicant"), by and through its attorneys, Jost Energy Law, P.C., respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado (the "Commission") for an order to approve 150-foot reduced setbacks on the eastern boundary of an approximate 895.11-acre drilling and spacing unit established for the W½ of Section 6, Township 1 South, Range 66 West, and Section 1, Township 1 South, Range 67 West, 6th P.M., for the efficient and economic production from the Codell and Niobrara Formations underlying the below-described lands. In support of its Application, Applicant states and alleges as follows:

1. Applicant is a limited liability company duly organized and authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.

2. Applicant is an Owner as defined by the Colorado Oil and Gas Conservation Act and Commission Rules and owns leasehold interests or holds the right to operate on the following lands (hereafter "Application Lands"):

Township 1 South, Range 66 West, 6th P.M.
Section 6: W½

Township 1 South, Range 67 West, 6th P.M.
Section 1: All

Adams County, Colorado, 895.11-acres, more or less.

A reference map of the Application Lands is attached hereto.

3. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993) which, among other things, established 80-acre drilling and spacing units for the production of oil, gas and associated hydrocarbons from the Codell and Niobrara Formations, with permitted well locations in accordance with the provisions of Order No. 407-1. The Application Lands are subject to this Order for the Codell and Niobrara Formations.

4. On April 27, 1998, the Commission adopted Rule 318A, the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule. The Application Lands are subject to this Rule for the Niobrara and Codell Formations.

5. On September 11, 2017, the Commission entered Order No. 407-2176 which, among other things, established an approximate 895.11-acre drilling and spacing unit for the Application Lands and approved up to 24 horizontal wells in the unit for the production of oil, gas and associated hydrocarbons from the Niobrara and Codell Formations, provided that the productive interval any horizontal well shall be no closer than 460 feet from the boundaries of the unit and not less than 150 feet from the treated interval of another well within the unit, and approved up to three well pads within or adjacent to the unit, unless an exception is granted by the Director.

6. On July 24, 2017, the Commission entered Order No. 407-2241 which, among other things, pooled all interests in an approximate 895.11-acre drilling and spacing unit established for the Application Lands, and subjected any nonconsenting interests to the cost recovery provisions of §34-60-116(7), C.R.S., for the drilling of the Baseline LE 06-029HN Well, Baseline LE 06-029HNX Well, Baseline LE 06-069HC Well, Baseline LE 06-069HN Well, Baseline LE 06-092HN Well, Baseline LE 06-092HNX Well, Baseline LE 06-132HC Well, Baseline LE 06-132HN Well, Baseline LE 06-149HN Well, Baseline LE 06-149HNX Well, Baseline LE 06-189HC Well, Baseline LE 06-212HN Well, Baseline LE 06-229HN Well, Baseline LE 06-229HNX Well, Baseline LE 06-252HC Well, Baseline LE 06-252HN Well, Baseline LE 06-292HN Well, Baseline LE 06-292HNX Well, Baseline LE 06-309HC Well, Baseline LE 06-309HN Well, Baseline LE 06-349HN Well, Baseline LE 06-349HNX Well, Baseline LE 06-372HC, Baseline LE 06-372HN Well, for the development and operation of the Niobrara and Codell Formations.

7. To promote efficient drainage within the Codell and Niobrara Formations of the Application Lands, to protect correlative rights and to avoid waste, the Commission should approve 150-foot reduced setbacks for the eastern boundary of the approximate 895.11-acre drilling and spacing unit for the production, development and operation of oil, gas and associated hydrocarbons from the Codell and Niobrara Formations.

8. The above-proposed reduced setbacks will allow efficient drainage of the Codell and Niobrara Formations, will prevent waste, will not adversely affect correlative rights and will assure the greatest ultimate recovery of gas and associated hydrocarbon substances from the reservoirs.

9. The undersigned certifies that copies of this Application will be served on each interested party within seven (7) days of the filing hereof, as required by Rule 503.e.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing on September 17, 2018, that notice be given as required by law, and that upon such hearing this Commission enter its order:

A. Approving reduced productive interval setbacks of not less than 150' from the eastern boundary of an approximate 895.11-acre drilling and spacing unit established for Section 6: W½, Township 1 South, Range 66 West and Section 1, Township 1 South, Range 67 West, 6th P.M.

B. Finding that the reduced setbacks on the eastern boundary of the approximate 895.11-acre drilling and spacing unit for the development of the Codell and Niobrara Formations on the Application Lands will prevent waste, protect correlative rights, and maximize the efficient and economic production of the Codell and Niobrara Formations on the Application Lands.

C. For such other findings and orders as the Commission may deem proper or advisable in this matter.

DATED July 19, 2018.

Respectfully submitted:

Great Western Operating Company, LLC
