

**BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO**

IN THE MATTER OF THE APPLICATION OF
MALLARD EXPLORATION, LLC FOR AN
ORDER TO APPROVE 300' REDUCED
SETBACKS ON THE BOUNDARIES OF AN
APPROXIMATE 1280-ACRE DRILLING AND
SPACING UNIT ESTABLISHED FOR
SECTIONS 2 AND 11, TOWNSHIP 8 NORTH,
RANGE 60 WEST, 6TH P.M., FOR THE
NIOBRARA, FORT HAYS, CODELL AND
CARLILE FORMATIONS, UNNAMED FIELD,
WELD COUNTY, COLORADO

CAUSE NO. 535

DOCKET NO. 181200_____

TYPE: EXCEPTION LOCATION

APPLICATION

COMES NOW Mallard Exploration, LLC (Operator No. 10670) ("Applicant"), by and through its undersigned attorneys, and respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado (the "Commission") for an order to approve 300-foot reduced setbacks on the unit boundaries of an approximate 1280-acre drilling and spacing unit established for Sections 2 and 11, Township 8 North, Range 60 West, 6th P.M. for the efficient and economic production from the Niobrara, Fort Hays, Codell and Carlile Formations underlying the below-described lands. In support of its Application, Applicant states and alleges as follows:

1. Applicant is a limited liability company duly organized and authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.

2. Applicant is an Owner as defined by the Colorado Oil and Gas Conservation Act and Commission Rules and owns leasehold interests or holds the right to operate on the following lands (hereafter "Application Lands"):

Township 8 North, Range 60 West, 6th P.M.

Section 2: All

Section 11: All

Weld County, Colorado, 1280-acres, more or less.

A reference map of the Application Lands is attached hereto.

3. On August 1, 2018, the Commission entered Order No. 535-941 which established an approximate 1280-acre drilling and spacing unit for the Niobrara, Fort Hays, Carlile, and Codell Formations for the Application Lands; and approved up to 16 horizontal wells, for the production of oil, gas, and associated hydrocarbons from the

Niobrara and Codell Formations, and approved 600' setbacks on the boundaries of the 1280-acre unit, and 150' inter-well setbacks, unless an exception is granted by the Director.

4. To promote efficient drainage within the Niobrara, Fort Hays, Codell and Carlile Formations of the Application Lands, to protect correlative rights and to avoid waste, the Commission should approve 300-foot reduced setbacks for the boundaries of the approximate 1280-acre drilling and spacing unit for the production, development and operation of oil, gas and associated hydrocarbons from the Niobrara, Fort Hays, Codell and Carlile Formations.

5. The above-proposed reduced setbacks will allow efficient drainage of the Niobrara, Fort Hays, Codell and Carlile Formations, will prevent waste, will not adversely affect correlative rights and will assure the greatest ultimate recovery of gas and associated hydrocarbon substances from the reservoirs.

6. The undersigned certifies that copies of this Application will be served on each interested party within seven (7) days of the filing hereof, as required by Rule 503.e.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing on December 17-18, 2018, that notice be given as required by law, and that upon such hearing this Commission enter its order to:

A. Approve reduced productive interval setbacks of not less than 300' from the boundaries of an approximate 1280-acre drilling and spacing unit established for Sections 2 and 11, Township 8 North, Range 60 West, 6th P.M.

B. Find that the reduced setbacks on the unit boundaries of the approximate 1280-acre drilling and spacing unit for the development of the Niobrara, Fort Hays, Codell and Carlile Formations on the Application Lands will prevent waste, protect correlative rights, and maximize the efficient and economic production of the Niobrara, Fort Hays, Codell and Carlile Formations on the Application Lands.

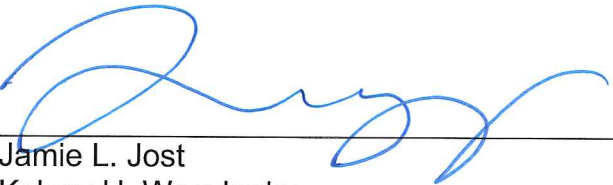

C. For such other findings and orders as the Commission may deem proper or advisable in this matter.

DATED October 15th, 2018.

Respectfully submitted:

MALLARD EXPLORATION, LLC
