AND ESTABLISHMENT OF FIELD RULES	)	
TO GOVERN OPERATIONS FOR THE	)	DOCKET NO.
CODELL FORMATION, WATTENBERG	)	
FIELD, WELD COUNTY, COLORADO	)	TYPE: POOLING

APPLICATION

PDC Energy, Inc. (Operator No. 69175) ("PDC"), by and through its attorneys, Burns, Figa, & Will, P.C., respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado (the "Commission") for an order pooling all interests within an approximate 560-acre Wellbore Spacing Unit, as further defined below, for the drilling of the Ottenhoff 29R-423 Well (API No. 05-123-43640) ("Well"), for the development of the Codell formation on the following described lands:

Township 5 North, Range 64 West, 6<sup>th</sup> P.M.

Section 29: E $\frac{1}{2}$

Section 32: NE $\frac{1}{4}$ , N $\frac{1}{2}$ SE $\frac{1}{4}$

Weld County, Colorado, containing approximately 560.00 acres  
("Application Lands")

In support of its Application, PDC states and alleges as follows:

1. PDC is a corporation duly authorized to do business in Colorado and is registered as an operator in good standing with the Commission.
2. PDC is an Owner with the right to drill into and produce from the Application Lands.
3. On April 27, 1998, the Commission adopted Rule 318A, the Greater Wattenberg Area Special Well Location, Spacing and Unit Designation Rule. Sections 29 and 32, Township 5 North, Range 64 West, 6<sup>th</sup> P.M. are subject to this Rule for the Codell Formation.
4. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993) which, among other things, established 80-acre drilling and spacing units for the production of oil, gas, and associated hydrocarbons from the Codell-Niobrara Formations, the Codell Formation, and the Niobrara Formation underlying certain lands, including Sections 29 and 32, Township 5 North, Range 64 West, 6<sup>th</sup> P.M. with the permitted well locations in accordance with the provisions of Order 407-1.
5. As of the date of this Application, the COGCC has not published any additional orders affecting spacing of the Application Lands.

6. PDC designated an approximate 560-acre Wellbore Spacing Unit for the production of oil, gas, and associated hydrocarbons from the Codell formation as provided by Rule 318A and notified the appropriate parties under Rule 318A.

7. Under the provisions of Rule 530 and C.R.S. § 34-60-116(6)–(7), PDC requests an order pooling all interests, including the ability to drill through all tracts, in the Application Lands for the development of the Codell formation underlying an approximate 560-acre Wellbore Spacing Unit for the Ottenhoff 29R-423 Well (API No. 05-123-43640):

Township 5 North, Range 64 West, 6<sup>th</sup> P.M.

Section 29: E $\frac{1}{2}$

Section 32: NE $\frac{1}{4}$ , N $\frac{1}{2}$ SE $\frac{1}{4}$

Weld County, Colorado ("Wellbore Spacing Unit" in this Application)

8. PDC requests that the Commission's pooling order be made effective as of the earlier date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b)(II) are first incurred for the drilling of the Ottenhoff 29R-423 Well to the Codell formation on the Application Lands.

9. PDC certifies that copies of this Application will be served on all owners of the mineral estate, as indicated and required by Rule 507.b(2), underlying the tracts of the Application Lands to be pooled within seven (7) days of the date hereof. PDC certifies that this Application complies with C.R.S. § 34-60-116, as amended. The list of Interested Parties is attached as Exhibit A.

10. In order to prevent waste and to protect correlative rights, all interests and tracts in the Wellbore Spacing Unit should be pooled for the orderly drilling and development of the Codell Formation.

WHEREFORE, PDC respectfully requests that this matter be set for hearing at the next available opportunity, that notice be given as required by law, and that the Commission enter an Order:

- A. Pooling all interests in the Application Lands and the Wellbore Spacing Unit for the development of the Codell Formation;
- B. Providing that the Commission's pooling order is made effective as of the earlier date of the Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b)(II) are first incurred for the drilling of the Ottenhoff 29R-423 Well in the Wellbore Spacing Unit to the Codell formation on the Application Lands; and
- D. Providing for such other findings and order as the Commission may deem proper or advisable in this matter.

DATED this 7<sup>th</sup> day of November, 2018.

Respectfully submitted,

PDC Energy, Inc.

By: 

Michael T. Jewell, Esq. #40902
