NOTICE OF HEARING

Mallard Exploration, LLC (Operator No. 10670) ("Applicant"), filed an Application with the Commission for an order to amend Order No 535-976 to: 1) reinstate the approximate 640-acre drilling and spacing unit established by Order No. 535-104 for Section 1, Township 7 North, Range 60 West, 6th P.M. only for the payment of proceeds for the Reines 1-1H well (API No. 05-123-34880), and 2) reinstate Order No. 535-104, which pooled all interests within the 640-acre unit, for the production of oil, gas, and associated hydrocarbons from the Niobrara Formation underlying the Application Lands identified below. This Notice was sent to you because the Applicant believes you may own oil or gas ("mineral") interests within the Application Lands. Importantly, this is not pooling, and it is not an application for a drilling permit.
