Re: **Rule 318A.c. Waiver**  
LAJCO 17RD, 17SD, and 17ND  
Weld County, Colorado

Dear Director:

Per rule 318A.c., Petroleum Development Corporation is requesting a surface location waiver for the above-captioned wells, located in the SENE of Section 17, T4N, R67W.

The locations were moved to this location not within 50' of an existing well per the request of the surface owner. This location is a good location to both reduce the impact on the surface owner and to increase the number of wells reachable from one well pad to minimize surface disturbance.

We respectfully request that you approve this waiver per the request of the surface owners and to reduce the impact on surface operations. Attached is the surface location waiver.

If you have any questions, please contact the undersigned at 303-860-5800.

Thank you,

Kelly Huffman
