In accordance with the requirement of Rule 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as a 30-day notice by Petroleum Development Corporation (PDC) of its intention to conduct drilling operations on the captioned wells.

I will be contacting you shortly to schedule a consultation to discuss the location of the well(s), access roads, production facilities and other related matters; I will bring any necessary waivers and a copy of our proposed Surface Damage Agreement. The well locations are staked prior to a consultation. Additionally, enclosed please find a copy of the COGCC's brochure describing surface owner rights and responsibilities, and a copy of the COGCC's on-site inspection policy.
