Subject: Centralized E&P Waste Treatment Facility – 2nd Semi-Annual Inspection 2012

Dear Mr. Hamilton:

On June 22, 2012, the Weld County Department of Public Health and Environment conducted a routine inspection of Anadarko Petroleum Corporation's Land Treatment Facility, located at Weld County Roads 32 & 37, Weld County, Colorado. The purpose of the inspection was to assess the facility's compliance with the Approved Site Specific Development Plan and Use by Special Review Permit Number 1067 (USR-1067) and applicable Weld County Code.

Based on the inspection the facility was in compliance. Please forward contaminated soil received record for the 1st half of 2012 to the Department. If you have any questions regarding this inspection, please contact me at (970) 304-6415, ext. 2219.

Sincerely,

Troy E. Swain
EH Program Coordinator
Environmental Health Services
