Re: Exception Location
Section 5-T9S-R55W
Gaede A 9S-55W-05-85
Lincoln County, Colorado

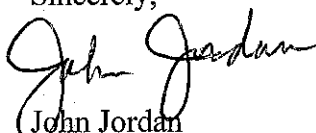

Mr. Lepore:

Anadarko Land Corp. and Anadarko E&P Onshore LLC, wholly owned subsidiaries of Anadarko Petroleum Corporation (collectively hereinafter referred to as "Anadarko"), as mineral owners of Section 5, Township 9 South, Range 55 West, 6th PM, in Lincoln County, Colorado, do hereby support the petition of Cascade Petroleum LLC for an exception location for the Gaede A 9S-55W-05-85 well.

The Gaede A 9S-55W-05-43 well was drilled previously in Section 5-T9S-R55W resulting in a discovery in the Cherokee formation. Cascade Petroleum LLC has entered in to an Agreement with Anadarko to develop Section 5-T9S-R55W. The geological interpretation of seismic data covering Section 5-T9S-R55W indicates a prospective well at the proposed location. It is anticipated that drilling the proposed Gaede A 9S-55W-05-85 in Section 5-T9S-R55W, 6th PM will promote future drilling on Anadarko owned minerals in Section 5.

Anadarko does hereby support Cascade Petroleum LLC's petition to drill the Gaede A 9S-55W-05-85 at the proposed location.

Sincerely,

John Jordan
Land Manager
