Complaint Response Log

<u>Category</u>	<u>Alleged Rule Violation</u>	<u>Assigned to</u>	<u>Description</u>	<u>Resolution</u>
AIR QUALITY		Jim Precup	<p>Not enough information. This complaint is from the EPA and the doc # for that referral is: 02494420. This Form 18 is going straight to 18A.</p> <p>Location: Weld, CO between i25 & HW85</p> <p>Caller stated company is purging gases in the air instead of burning it off or putting it down the line. Caller stated this occurs on a daily basis.</p>	<p>There was not enough information to process this complaint. The location covers too many wells to specify. The complaint was anonymous so there is no contact information to find out more about this complaint.</p>
