Remark: Quicksilver has been working to resolve some bond issues, and amongst the items to be corrected was this well. The email from Deborah Lutz stated there was an outstanding Form 10 - submitted 4/10/14 incomplete and not approved. We believe this original Form 10 (document #400587512) was submitted because of an oversight in the completion forms process and was never done. I'm not sure why it was never approved, if information was lacking, etc. In an effort to clean up the bond issue, I have resubmitted it here for this well only. Please let me know if you need anything else. Thank you!

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct and complete. The transporter(s)/gatherer(s) is (are) authorized to transport the oil and/or gas produced from the listed well(s) and that this authorization will be valid until further notice to the transporter named herein or until cancelled by the Colorado Oil and Gas Conservation Commission.
