General Comment:

This is a Final Reclamation Inspection for Six PA Status Wells, not completed, Conductors Set. APDs were first Approved in 2008 & 2009; Conductors were Plugged and Abandoned 10/30/ 2012. These Wells are on Location with Five SI Wells, Four Wells PA'd in 2015 and Three AL Wells; therefore these are Well Releases on an Active Location. There are also Two more Wells PA'd in 2012 on Site; research is need before Release of these Wells as they have a confused History with two of the SI Wells on Location.
