Environmental**Spills/Releases:**

Type of Spill: OIL

Estimated Spill Volume: _____

Comment: spill occurred prior to this operator taking over site. Current operator submitted site investigation and remediation plan to address groundwater contamination at site. Several monitoring wells were present around battery during inspection which are assumed to be part of approved project 3541.

Corrective Action: provide supplemental form 27 update to summarize activities at site after 2012 and through 2017 or to request closure if that is justified.
