Leaking  
valves/bolts.

01.30.2018

Leaking  
valve on hot  
oil line.

A photograph showing a rusted metal riser pipe protruding from the ground. The pipe is located in a field of dry, yellowish-brown grass. A patch of white snow is visible in the upper left corner of the image. The riser pipe has a flange with four bolt holes and shows significant rust and wear.

Unused riser  
west of tanks and  
inside berms.
