**You are also entitled to file a request as follows:**

**Subparagraph i** -Any person who would be directly and adversely affected or aggrieved by the authorization of the underground disposal into the proposed injection zone may file, within fifteen (15) days of notification, a written request for a public hearing before the Commission, provided such request meets the protest requirements specified in subparagraph *m.* of this rule. The notice shall also state that additional information on the operation of the proposed disposal well may be obtained at the Commission office.

**Subparagraph m. - Evaluation of written requests for public hearing.**

Written requests for public hearing before the Commission by a person, notified in accordance with subparagraphs *i.* and *j.* of this rule, who may be directly and adversely affected or aggrieved by the authorization of the underground disposal into the proposed injection zone, shall be reviewed and evaluated by the Director in consultation with the applicant.

Written protests shall specifically provide information on:

- a. Possible conflicts between the injection zone's proposed disposal use and present or future use as a source of drinking water or present or future use as a source of hydrocarbons, or
- b. Operations at the well site which may affect potential and current sources of drinking water.
