OPERATOR COMMENT

Renegade is requesting that the pit facility (113231) at the Inexco State #1 be removed from any commission documents as it appears to be a duplicate to pit facility (100599). Renegade has owned and operated this well and facility since 11/1/1991 and it has historically had only a single pit. This Form 27 is being filed with the collaboration of Kris Neidel of the COGCC. Emails between Renegade and Kris Neidel have been attached. Many fields of the Form 27 have been populated for validation purposes only.

I hereby certify all statements made in this form are to the best of my knowledge true, correct, and complete.
