12/19/2018

Operator: ST CROIX OPERATING INC # 81490

Location ID: 458423

Inspection Doc. Number: 682504291

Washington County, CO

Aaron Trujillo
NE Reclamation Specialist
COGCC

Inspection Photos
Operator: ST CROIX OPERATING INC # 81490
Location ID: 458423

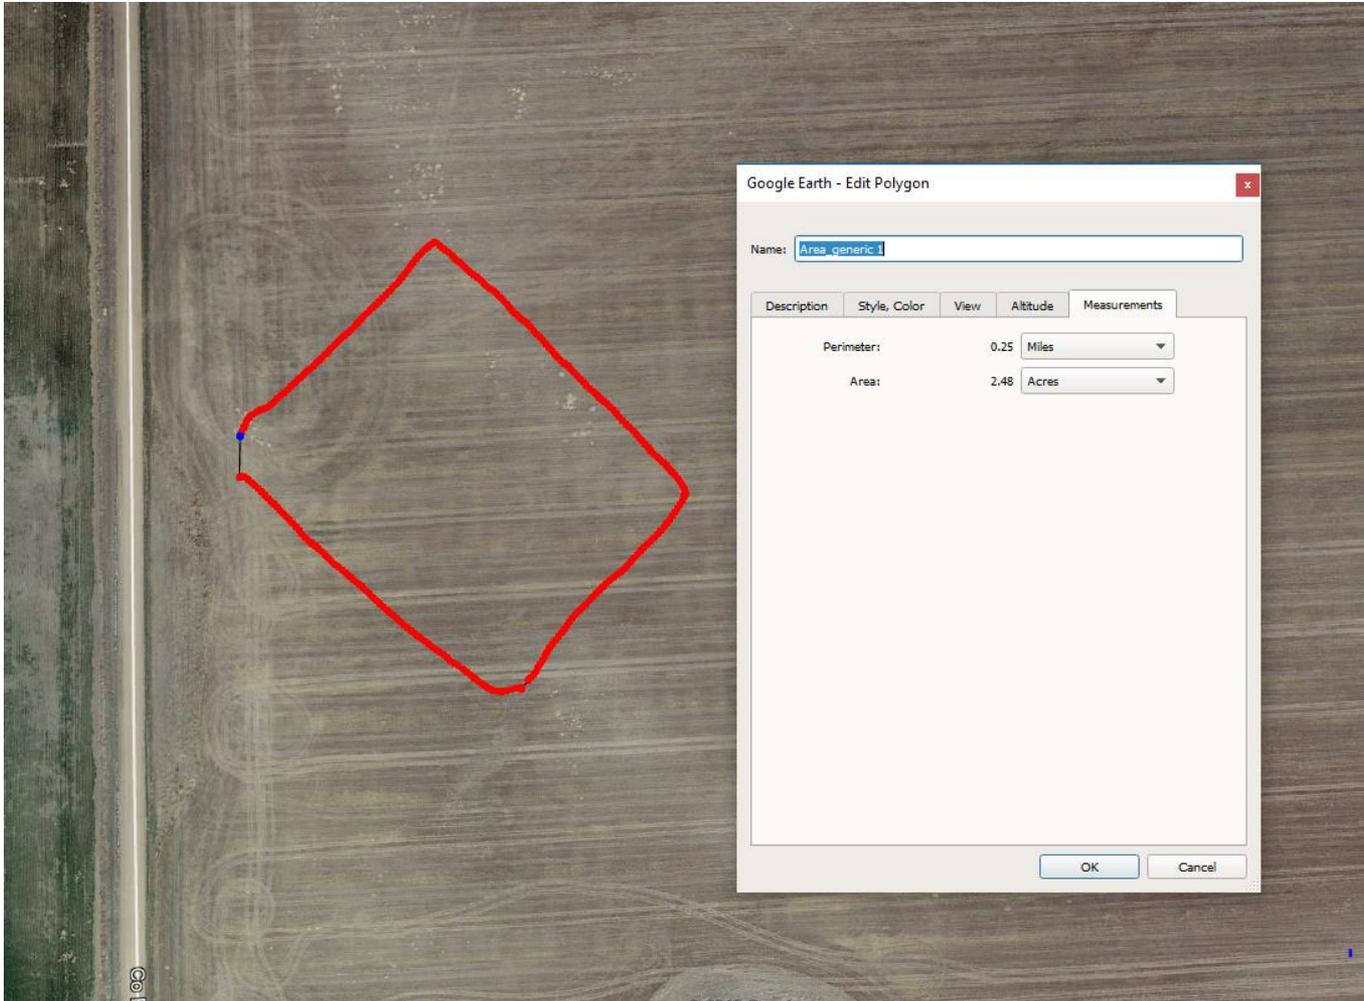

Photo 1: Aerial image of construction location. A disturbance area of 2.48 acres was mapped on 12/19/2018 using a Trimble Juno 3B handheld device; this appears to exceed the permitted 2A disturbance area of 2 acres.

Photo 2: Photo taken from the southwest end of the construction disturbance, facing north. Photo provides an overview of the location. Photo also shows that perimeter stormwater and erosion control BMPs have not been installed in accordance with good engineering practices prior to and during construction activities.

Photo 3: Photo taken from the southwest end of the construction disturbance, facing east. Photo provides an overview of the location. Photo also shows that perimeter stormwater and erosion control BMPs have not been installed in accordance with good engineering practices prior to and during construction activities.

Photo 4: Photo taken from the southwest end of the construction disturbance, facing southeast. Photo provides an overview of the location. Photo also shows that perimeter stormwater and erosion control BMPs have not been installed in accordance with good engineering practices prior to and during construction activities. Photo also shows topsoil stockpile
