Gentlemen:

On July 16, 1985 we received an OGCC Form 4 - Sundry Notice indicating the subject well was shut in. Since that time we have written several times requesting a completion report - OGCC Form 5, copies of electric logs, and such other reports as are required by the rules and regulations of this Commission. To date we have had no response.

Please submit the requested information by August 5, 1986. If the reports are not received by that time I intend to take the matter before the Commission for such action as they may deem appropriate.

Yours very truly,
