General Comment:

On 2/8/2021, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at Chevron USA's Chevron Skinner Ridge 3-17E location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:
1004.a: Final Reclamation

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Pits: ☐ NO SURFACE INDICATION OF PIT**COGCC Comments**

Comment	User	Date
Form 6(s) 400516384 states well was plugged 11/4/2013. Pursuant to Rule 1004.a, all debris and surface equipment shall be removed within 3 months of plugging a well, and all reclamation work is required to be completed within 12 months on non-crop land.	trujilloam	02/12/2021
It was observed in this inspection that Location is out of compliance with COGCC Final Reclamation requirements; Various debris, fence equipment, utility equipment, shed/building, and signage remain on the Location. All surface equipment, trash, debris, etc... was required to be removed from the Location by 2/4/2014.		
Final reclamation not performed; Location and access road have not been recontoured/regraded and reclaimed; Cut and fill slopes remain. All reclamation work pursuant to Rule 1004.a was required by 11/4/2014; Location is at least 6 years out of compliance.		
Due to the significant nature, extent, or duration of this alleged rule violation, no corrective action date will not be applied and Location will remain out of compliance until final reclamation work has been completed pursuant to COGCC 1004 Rules.
