Re: Waiver notification  
Giacomini #1  
SENE Sec. 29-9N-52W  
Logan County, Colorado

I Ted Giacomini waive my right to a 30 day waiting period as allowed by COGCC rule 305 b and agree that Schneider Energy Services has met my expectations for the use of the surface lands associated with the drilling of the above mentioned well. And further more agree that Schneider has provided necessary notification required by COGCC rule 305 c-6 and that all surface use provisions agreed to May 17, 2006 are still in affect.
