Dear Mr. Gross:

I called this morning to find out if you had sent the 5A on this well, yet. We will need that document as soon as possible, hopefully, by the end of the month, as the well was producing in May. The 5A is due 30 days after production begins. Also, production reports beginning with the month the well spud. I have enclosed a copy of codes to be used on the Form 7 along with Drilling, Development, Producing and Abandonment information. All of this is on our web site at www.oil-gas.state.co.us.

Please let me know if you have any questions. I'll be more than happy to help in any way I can. I have attached my card for your convenience.

Thank you for your kind assistance.

Sincerely,

Diana
