VEGETATIVE COVER _____

Comment: This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within three months of plugging on cropland. Well was plugged 08/28/1958. The location has failed to revegetate with evidence of non-uniform vegetation cover resulting in bare soil. Location is not reflective of reference areas. Refer to attached inspection photos.

Corrective Action: _____ Date **10/24/2022**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. Provide documentation within the FIR Resolution form of when the corrective action work will be completed and provide date and documentation of coordination with the surface owner.

Corrective action date is the date the location was observed out of compliance.
