Comment: This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within twelve months of plugging on non-cropland. Well was plugged 07/06/2011. During this inspection it was observed that oil and gas equipment was evident throughout the former tank battery, pit, and other parts of the location. This equipment will need to be removed and the former pit requires approved closure (see "Pits" comment). Note: Location is within an active paintball facility. Refer to attached inspection photos.

Corrective Action:	<p style="color: red;">Comply with Rule 1004. Operator shall remove all oil and gas equipment and close former production pit under an approved Form 27 (see "Pits" Comment). Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management.</p> <p style="color: red;">Corrective action date is the date the location was observed out of compliance.</p>	Date <b>11/16/2022</b>
