Commission**

Department of Natural Resources

Inspection Photos
Location Name: Leech 1
Location ID: 319807

Photo 1. Facing east near the tank battery. It appears the operator has mowed the undesirable vegetation as identified in the previous inspection.

Inspection Photos
Location Name: Leech 1
Location ID: 319807

Photo 2. Facing south from tank battery. Some remnants of undesirable vegetation were observed during this inspection that the operator will have to manage for in the future. However, it does appear the operator has mowed around the perimeter of the location.

Inspection Photos
Location Name: Leech 1
Location ID: 319807

Photo 3. Facing northwest at the tank battery. Operator has completed the corrective action and removed the unused equipment previous identified.

Inspection Photos
Location Name: Leech 1
Location ID: 319807

Photo 4. Facing north at the tank battery; photo illustrates that the NFPA placards and other labels on the tank are peeling, cracked, and not legible.
