**General Comment:**

#### COGCC Inspection Report Summary

On Monday, 02/27/2023, Inspector Kirby Burchett, conducted a routine field inspection at Caerus Piceance LL on the LR 6G Pad, Location #335627, in Rio Blanco County, Colorado.

This location is within or in close proximity to a Parks and Wildlife (CPW) District Wildlife Management Plan with Black Bear and High Priority/NSO/Density Habitat regulations.

Any Corrective Actions from previous Inspections are still applicable.

While there, I observed normal production operations. During this inspection the following compliance issues were observed:

1. Random debris.
2. Unused equipment.
3. Chemical containment trough full.
4. Production tank not labeled with tank capacity.
5. Open top tank hooked up to wellhead.

A follow up on this site inspection will be conducted to ensure all compliance issues have been corrected to comply with COGCC rules.
