COGCC Comments

Comment	User	Date
Original comments and corrective action for FIR document #701603073 are in all capital spelling. Follow up inspection comments and corrective action will be listed as "Follow up Inspection:" to inspection clarity. At time of inspection the well access two track and well location do not reflect any recent use or activity. Inspector found no evidence or indications that corrective action requirements from previous inspection have been completed.	stjohnw	07/26/2023
