RE: Failure to Respond to Request for Information  
#1-20 NWSE 20-19S-47W

Dear Sir or Madam:

On 11/20/86 we received the Completion Report (OGCC Form 5) for subject well on which Item 27 is checked YES WAS WELL CORED (Submit Analysis). No analysis was submitted with this report. On 6/6/88 this office requested the Core Analysis or that you contact us no later than 7/6/88 if you were unable to comply. To date we have received no reply.

It consumes a lot of your tax dollars and our time unnecessarily when you fail to submit routine paperwork or to respond to our requests. Our only interest is in obtaining the information required by the State of Colorado's Rules and Regulations of the Commission. We look forward to receiving the above requested information no later than November 11, 1988 so that we may remove your company from our list of delinquent operators.

Very truly yours,

Dave Edwards  
Well Records Department
