Comment: This location does not comply with Rule 1004. Reclamation rules require reclamation activities to be conducted within three months of plugging on cropland. Well was plugged on 7/6/2018. Stunted crop growth was observed on the location and weedy, annual vegetation was observed which includes but not limited to kochia.

Corrective Action:

Date **07/17/2023**

Comply with Rule 1004. Collaborate with the landowner to allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

The corrective date is not intended to be the date for which the Operator shall complete the corrective actions but rather the corrective date is the date the location was observed out of compliance.
