General Comment:

On 8/1/2023, Reclamation Specialist Chris Binschus met with the complainant (surface owner) to conduct an Interim Reclamation and Stormwater inspection in response to a complaint.

Refer to the Lease Road, Good Housekeeping, Complaint and COGCC Comment sections of this inspection report for additional details.

Location

Lease Road:			
Type	Main		
comment:	The Croissant 30-13 well location access route is along the eastern portion of the lake. This access route can also be found on previous surface use agreements. However, Operator is using a private road along the western lake, which was recently documented on August 7, 2023.		
Corrective Action	Operator shall provide documentation they instructed contractors and Operator representatives about the proper route.	Date:	08/01/2023
The corrective action date is the date the location was observed out of compliance.			
Type	Main		
comment:	The Croissant 30-13 well location access route is along the eastern portion of the lake. This access route can also be found on previous surface use agreements. However, Operator is using a private road along the western lake, which was recently documented on August 7, 2023. Refer to the attached inspection photos.		
Corrective Action	Operator shall implement robust best management practices to ensure the proper route is utilized (e.g., signage, ect.).	Date:	08/01/2023
The corrective action date is the date the location was observed out of compliance.			

Overall Good: ☐
