<p><b>COGCC Inspection Report Summary</b>                      **Weather Conditions: sunny, dry ground                      On Thursday, August 10, 2023 at approximately 1030, I, Inspector Brittani Santistevan, conducted an on-site inspection at ARNDT 27-30HZ (Kerr McGee Oil &amp; Gas Onshore), at location #: 457892 in WELD COUNTY Colorado.                      While there, I observed a producing facility.                      During this inspection the following possible compliance issues were observed:                      1. Debris at multiple wellheads. Please remove to comply with Rule 606. (Corrective Action Date: September 15, 2023) See attached photos #5-10.                      2. It appears all tanks at tank battery have faded capacity signs. Install signs to comply with Rule 605.h. (Corrective Action Date: September 15, 2023) See attached photos #12-16.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	08/15/2023
