General Comment:

On 9/1/2023, Reclamation Specialist McDonough conducted a final reclamation inspection at BP American Production Company's Lobato 1-26 location in La Plata County, Colorado.

The following compliance issues were observed during this inspection:

- Noxious weeds
- Stormwater BMPs

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable; The "Date of Discovery" is being provided as the corrective action date for all new observed compliance issues. Location will remain out of compliance until corrective action(s) has(have) been resolved and a follow up inspection will be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.
