General Comment:

This is a new construction inspection in association with Document number 403518305. This is an expansion of an existing location, site was under construction when inspection was conducted.

Location

Lease Road:			
Type	Access		
comment:	Access road to site has larger aggregate in place to act as a vehicle tracking device. There is currently not tracking out of material on to the county road. At the time of the inspection the aggregate is full of material rendering the implement unusual.
