General Comment:

On 12/5/2023, Reclamation Specialist Trujillo conducted an inspection at Caerus Piceance LLC's Mesa C23-697 location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:
-Signage

Refer to the "Location" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable; The "Date of Discovery" is being provided as the corrective action date for all new observed compliance issues. Location will remain out of compliance until corrective action(s) has(have) been resolved and a follow up inspection will be conducted to ensure the compliance issues have been corrected to comply with ECMC rules.

VEGETATIVE COVER _____

1003 f. Weeds Noxious weeds? _____

Comment

At least 3 growing seasons have passed since IR has been performed. Limited visibility due to snow cover, however vegetation evident above the snow appears uniform and predominantly perennial, with a mix of some undesirable species such as Tumble mustard. A followup inspection will be conducted in a future growing season to determine compliance with 1003 Rules.
