If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent)

15. DATE OF WORK \_\_\_\_\_

The well was temporarily abandoned 10/87 due to a hole in the casing. Oil prices and production did not justify the repair costs.

PEDCO Resources plan to return well to active status and request an extension of six months until 6/15/91 to allow partner approval and action plans to be finalized.
